*Except the LORD build the house,
they labour in vain that build it:
except the LORD keep the city, the
watchman waketh but in vain.*
(Psalm 127)

God has given us a household with a heritage of 154 years of service to the community of Berea, OH for which we are to care. Our first instinct might be to look to the past for inspiration and to conserve and maintain the best of what we remember from past times. And while there is a lot of value in looking to the past for inspiration, we believe in a God who is "making all things new" (Rev. 21:5). As a church, we are called to have a forward moving trajectory rather than a static glance to the past. The Church as a movement is a response to Jesus' call to follow him and help extend his reign on earth. We are not a museum or a social club that happens to support worthy charitable efforts. We are, rather a community of people committed to proclaiming God's love in worship, community, and in our service. At St. Thomas, we are a people on the move. In my time at St Thomas, I have been impressed and heartened by our commitment to

finding new and innovative ways to preach the Gospel in the 21st century. I look forward to continuing my journey alongside you as we seek to be faithful to the mission God has given us. Indeed, I look forward to renewing my commitment with you this Fall during our stewardship campaign.

Stewardship is a core value of the Christian faith. As disciples of Jesus Christ we are called to commit ourselves to the mission of his Church. We are called to commit our hearts to this effort, sharing the love God has given us with others; meaningful words of encouragement rooted in the hope we have Christians to our friends, family, and neighbors. It can also mean, inviting those closest to us to experience the love of God's beloved community here at St. Thomas. We are also called to offer our talents, education, and skills in service of Jesus' mission of transforming the world. All of us, whether we realize it or not, is uniquely gifted in some way

and called to offer that something to the mission of Christ's Church.

We are also called to offer our material support, including monetary contributions, to the mission of the Church. As someone who grew up in a family where money was seldom discussed, I can understand how this aspect of stewardship can make some very uncomfortable. The inconvenient fact, however, is that it costs money to further our mission and care for the legacy that we have been entrusted. As *Psalms 127* reminds us, we are a household and, as in any family household, we must work together for our mutual support. We have a lovely church building and physical plant that needs to be maintained and occasionally repaired in order to serve the needs of our mission. We have several paid staff, aside from myself, that help in sustaining and the building-up of our parish church. We have countless supplies and other expenses that are part of the day-to-day running of the church. The leadership of the St. Thomas has been fiscally disciplined in our use of resources and are attempting to build a vision that is sustainable into the future. However, we all need to work together in this effort. As members of St Thomas, God has given us responsibility to care for this church community, including its material support.

God doesn't ask us to give us more than we are able to give but God does ask us to examine ourselves and the ways we have supported the mission of church. He asks to be as generous as we can be in our given life situation. As we journey together this Fall, I ask you to examine the ways in which you have committed yourself to Jesus' mission this past year and the ways in which you might be feeling called to contribute over the next year. I will be journeying alongside you in all of this and as your pastor, I welcome any opportunity to talk or pray with you during this stewardship season.

Our Stewardship campaign begins on October 7th and will conclude on November 4th. During worship, you will hear from members of our community as well as others who have benefited

from our ministry. We will also have displays set up before and after each of our weekly services representing the whole breadth of ministry here at St. Thomas. It will be an opportunity for all of us to recommit ourselves to the ministries which we already participate and perhaps learn about a new ministry.

You will also receive a pledge card, which will help you plan your own contribution and will help us plan for our 2019 budget. The pledge card will also have room for you to express other ways, aside from material support, you plan to help support our mission at St. Thomas Episcopal Church. As we seek to recommit ourselves to our lives together at St. Thomas, my prayer for us is that our hearts be open wide to the power of generosity in your lives. And my prayer is that together, we can help God build the church God needs us to be.

Prayerfully,

The Rev. David R. Radzik, Rector

Stewardship

Our Stewardship Campaign for 2019 will kick-off with distribution of pledge packets on Sunday, October 7, and wrap-up on Sunday, November 4.

Our theme for this year's campaign is "Growing in Generosity, Rooted in Faith". Please pray for a successful campaign. Thank you.

Rooted in Faith

A Testimony from Anita Cooper

I am not a cradle Episcopalian; in fact, I am not a cradle anything. I was 25 years old when I walked into my first Episcopal church and I knew immediately that I had found my home. In 1991 I moved to Cleveland and bounced between All Saints and St. Thomas for several years, then fate happened one Sunday morning. I was here at St. Thomas and someone came up to me after service, took my arm and literally drug me to coffee hour. I was hooked!

Every time I walk through the doors here I feel God's presence and his love. I feel Him! I come here to find comfort and courage to face the world outside. Over the years, challenges have come and gone. Some hurtful things have happened that has made me wonder why I even come to church and yet I keep walking through those doors because I know what is here. We are all different in many ways and this is what makes us a unique church / Christian community. We are not going to agree with everyone and everything. We need to be kind, communicate, and support one another. What we learn here, what we practice here and what we do here we will take with us everywhere.

I know we all have our own homes and yards to take care of, families to look after, work stresses and the list goes on, but I also know that this is our Christian home and we are Brothers and Sisters in Christ. We have work to do. God has a plan for each of us. You may be sitting there thinking ...I've already done my part, or I can't do that anymore. Some of us have been doing this "church thing" for so long maybe, just maybe, we have allowed ourselves to become stale, machine-like and have lost sight of our purpose for our church home. The true reason we are here. Find someone and encourage them to take on the ministry or task that you so dearly love(d). Guide them, teach them.

We have each other to lean on. Our community leans on us as well. Our STAR Program prepares a monthly lunch for an average of 145 lonely senior citizens that need companionship. Our Veterans' Luncheon has grown to an average of 70 - 80 forgotten Veterans. Men and women that have fought for "us".

The Food Distribution Program distributes tons of food every month to individuals and families in need. The Summer Lunch Program prepared 450 lunches for children of our community so that they did not go hungry. At Christmas time, we filled 177 duffle bags with warm blankets, hats, gloves and personal items. Our Outreach Programs are numerous and not only need helping hands, but also financial support. We have events different times of the year that help. Our Medieval Dinner, The Devonshire Victorian Tea, the Clam Bake, to name a few. By bringing family and friends to these events, not only are we coming together for fellowship and fun, but we are supporting the church and its many needs.

One of the things that my mom always said to me..."Anita Louise you need to dig deep within yourself and you will find the strength you need". Dig Deep! As a youth, I always thought that digging deep meant digging deep, finding the strength and relying on myself to face whatever was happening at the time. As an adult, though, I have found digging deep means finding God and trusting that he will lift me up to accomplish my challenge. I feel very blessed that each of you are a part of my life. Just look what I found right here ... the most wonderful husband any girl could ask for. God did that and he will continue doing things through each of us.

God Bless!

Annual Parish Picnic & Outdoor Worship Service

The weather was beautiful, the food was delicious and the worship service was well-attended at this year's parish picnic on August 19. Many thanks to all who came to worship and enjoy fellowship outdoors.

Thank you to the wonderful musicians who played at this year's picnic.

STAR Concert & Lunch

by Julie Kalbrunner

On Wednesday, September 5 we will kick-off our 13th season of STAR!

It is through the generosity of grant funds received from the Episcopal Diocese of Ohio that we are able to provide this wonderful program. Unfortunately, this year, the Diocese received more grant requests than in previous years. Due to this increase in requests, our grant for this season was less than we had anticipated.

With the decline in our operating budget, we unfortunately had the difficult task of making cuts to our programs and menu options. We hope that even with these cuts, our patrons will still enjoy the concerts and lunches provided this season!

Volunteers to help in the kitchen are always welcome! Please contact the church office or Julie Kalbrunner to help out during a concert and lunch.

Los Amigos Episcopales

by Ruth Ihde

We are busily preparing for our 7th Annual Soup Supper which will be on **Saturday, October 20**, from 5:00 till 7:00pm at St. Hubert's Episcopal Church, 8870 Baldwin Road, Kirtland Hills, Ohio.

While this may sound like it is in a far-away place, St. Hubert's is actually easily accessible from this area. Take I-71 North toward Cleveland, when I-71 becomes I-90 East, follow this to OH-615/Center St (exit 195). Exit and turn right onto Center St/OH615. Turn left onto Chillicothe Rd. Take the first right onto Baldwin Rd.

You may think that St. Hubert's is a tiny country church, but this is not the case. The parish is 150 years old, and has recently been updated by enlarging the church proper, and building a gorgeous parish hall (the River Room, which follows along a meandering tributary of the East Grand River), where our soup supper will be staged. Please see the attached photos of the inside of the church and the lovely needlepoint cushions surrounding the altar. It will be well worth your time to visit this very impressive church.

As you know, our fund-raising projects raise money to support the Episcopal churches in El Salvador, which is a Los Amigos program dating back 25 years. Tickets for the soup supper are \$12 for adults, \$6 for children, or \$30 per family. Tickets are available after church from Ruth Ihde or Charlotte Rodriguez.

All are welcome to attend the coming Los Amigos Episcopales monthly meetings at St. Matthew's, Brecksville on Friday September 14 and October 12 at 6:30pm.

Welcome Table by Clint Anderson

The Church-Growth Committee sponsors the Welcome Table in the church hallway near the Sanctuary, to welcome all visitors to St. Thomas. We do our best to staff the table after each worship service, to greet visitors and to share some gifts with them.

We need your help! It involves getting to the table just before people come out from worship, and staying there for about 10-15 minutes to welcome new people. If you could do one or more Sundays, please sign up on the sheet on the office window. Thanks!

Epis-ca-Paws By Rosalie Ferline

Epis-ca-paws has been off the minds of the parish for some time.

The need for dog & cat food, toys, beds, litter etc. is never ending. Those in need love their fur-ever family and need our help.

Please remember at least once a month if possible, to bring in or donate a check for this ministry.

The Lord has blessed this ministry by sending us Jason & Chris Smith & Susan Mitchell from St. Mell's Catholic Church. They have brought us over 300 pounds of food in the last two months. They bag the food into 2# bags which takes much time and work but mostly LOVE! By the way, Jason is just 16 years old, and started this ministry a year ago. His dad Chris, helps bag the food. Susan delivers it to my home. Bart, Rosalie, Dolly & Pozie deliver this to Church Street Ministries

One day in the scorching sun we arrived at Church Street Ministries early, their doors open for people at 11, we try to arrive an hour earlier. Jeff unloads the car for us and thanks us so very much they had missed our donations. There was a gentleman waiting in a wheel chair for the doors to open. He asked if we had cat food. We did! Praise be. We gave him a 2# bag and he was so thankful. I chatted with him awhile and prayed with him. His name is Tim and kitty's name is Clem please pray for their needs, the Lord will know what they are!

Socrates Cafe

Socrates Café By Clint Anderson

Do you enjoy lively and insightful discussions about philosophy and life? If you do, please come join us for Socrates Cafe, which meets at St. Thomas on the second and fourth Tuesdays of each month at 7:00 in the meeting room in Harkness Hall. We pick a question ahead of time from many submitted by attendees and have no problem discussing it for about an hour and a half at each meeting. Here are a few recent topics:

- ◆ "What does a 'search for self' mean? Is it relevant?"
- ◆ "Are we truly responsible for our actions and thoughts?"
- ◆ "Is life a struggle? Is it worth it?"
- ◆ "Is hope rational?"
- ◆ "Is violence a part of being human, or do we have a choice?"

It's amazing the wide varieties of thoughts and viewpoints we always get on questions such as these! If this sounds interesting to you, please come and give Socrates Cafe a try! We are an official member of a worldwide Socrates Cafe network of more than 600 groups. If you have any questions, please contact Clint Anderson at ahs64clint@gmail.com.

Miss Julia's Southern Tea

By Rosalie Ferline & Dolly Doyle

Miss Dolly & Miss Rosalie would like to thank Y'all who helped make Miss Julia's Southern Tea held on August 11th a success.

Harkess Hall was transformed to a lovely garden party, although Ricky Nelson was not there to sing for us, we had Norman Tischler to play the sax and clarinet.

Transforming our hall would not have been accomplished if not for Miss Etta, Miss Karen, Miss Becca, Miss Peggy Ryel, Miss Dolly and Miss Rosalie. Our Mimosa Bar was tended by Theo Kent and Miss Melanie Doyle.

Our lemon glazed Scones were prepared by Miss Bev, Joe Ferline, Miss Laura Gaba and George Baxter. Mandarin salad & cran-lishious chicken salad sandwiches by Miss Karen Walter, Miss Becca Bretz & Miss Jan Bell. Ice cream was drizzled with carmel or chocolate by the hands of Miss Sue Griffith and Tea Cup Cookies baked by Miss Dolly. Our raffle had handmade wreaths by Miss Anita and Miss Sue. And last but, certainly not least, a huge shout-out of thanks to our servers: Emily Ferline, Dexter Shreve, Geri Hunt, Bella Brown, Dee Dee Doyle and Peggy Ryel.

Our guests were donned in beautiful large hats and lovely dresses. The garden was vended with Miss Laura Newman sharing her talent of making hats. Miss Theresa Ferline-Carr with Tess's Tender Touch hand painted flower pots, magnets and glasses, Miss Jenna Toth with her Sunken Glass Treasures and the Artful Sisters. All of which did a beautiful job of displaying their wares in the garden.

Our raffle table was manned by Miss Rosalie, Miss Pozie and Miss Sue. The lovely centerpieces, made by Miss Dolly, were given to the lucky Miss having a flower on the back of her menu. This was our first summer tea and we will meet to see if we will continue.

ECW Outing By Ellen Herron

On August 4, ECW ladies visited the Kent State University Museum where we viewed the impressive costumes worn by Katharine Hepburn on stage and screen.

We then enjoyed lunch at Ray's Place, recommended by museum staff for a true "university experience!" The food was good, and the trip was fun.

Plans have not yet been made for the next outing. We welcome suggestions and participation from all ladies of St. Thomas Church.

I realized long ago that skirts are hopeless . . . anytime I hear a man say he prefers a woman in a skirt, I say, "Try one. Try a skirt."

Youth Mission Trip to Lotts Creek, Kentucky

This year our trip to Kentucky was a bit different than it has been before. We were able to attend the court hearing against the school board to see whether the school was able to continue on or if they had to close.

Thankfully God was on our side and Cordia was able to remain open for the school year. It was a stressful week for the people of Lotts Creek, especially Alice. We have never met anyone as bold, brave, or determined as Alice. She is a true hero and role model. The people of the holler are lucky and fortunate to be able to witness Alice and her might.

-Emme and Ella Winfield

This year at Lotts creek was an even more rewarding experience than last year. Going to court and supporting the school, and their director Alice was an amazing experience that I was proud to be a part of.

In addition, I spent multiple days cleaning out a room of donations for the school and organizing so that the donated items can be accessed and found easier. I helped clean and dust an old cabin, and spent time gardening as well.

Helping out the school and community was extremely rewarding and I can't wait to go back again next year.

-Katrina Scheu

St. Thomas and UCC Group that Traveled to Lotts Creek this year.

This year's trip to Lotts Creek was a different experience for everyone. We went down there unsure if the school would be open this year. We got there and Alice told us all the troubles they have been having with the county board of education and that there was a court date Wednesday.

We worked on cleaning dorms, pantries, gardening, and doing whatever Alice asked us to do. Then on Wednesday we woke up at the break of dawn and went to the capital of Kentucky to a sit-in during the trial. The judge later decided to keep the school open for this school year and hopefully Alice will be able to make her own board of education.

We had an amazing and different experience this year. Thank you for giving us the chance to do this continuously each year.
